Dear Brothers & Sisters In Christ:

I am the pastor of Little Rock Holiness Church and we have been involved with missions to Central America now for over 4 years. About 4 years ago the Lord made it possible for me to visit a village called Rus Rus. This was a refugee camp with a hospital that the USA helped to implement during the Nicaraguan Marxist movement in the 1960s. The hospital had been providing medical care to various regions in that area with a pilot and a physician on site for many years until about 6 ½ years ago.

Dr. Collins, the former physician was led of the Lord to do more administrative work with the churches and hospitals throughout that region. Bro. Anderson after 12 years as the aviation missionary felt led to work in the states to coordinate efforts to educate and facilitate the gathering of resources from the states to aid the churches in Central America.

This past March I took a medical team to Rus Rus, and we re-opened the hospital after it had been closed for 6 ½ years. We met a pilot named Wesley, who has developed a burden to assist with the hospitals functions. Also someone has donated a \$350,000.00 airplane to the work. Our church has funded a nurse who the team met while on our trip last year for 6 months. We also re-stocked the pharmacy at the hospital. Since our visit, medical teams are being put together and taken to the area. We also put new tires on a transport truck.

Our church is in the midst of a building program and we will not take a trip to Rus Rus in 2010. However, we are planning to raise funds to keep medication in the pharmacy and pay the nurse for services rendered to the people of La Masquitia and assist medical teams in providing care.

We also are hoping to raise funds for airplane fuel and truck maintenance. Please note the needs are:

| | |
|-------------------|------------|
| Medicine | \$900.00 |
| Nurse | \$1,200.00 |
| Truck Maintenance | \$1,000.00 |
| Airplane Fuel | \$2,000.00 |

As you can see the total amount needed by March of 2010 is \$5,000.00. 100% of this money will go to the needs. I want to thank you and your congregation for considering joining us in reaching the world for Christ. This hospital pulls a great number of people from all over the regions and gives the local pastor, Victor, an opportunity to share Christ. I will be glad to come and share pictures about past trips and plans about future trips for those who are interested. Please check out our church web site for more information @ www.littlerockholinesschurch.org. Feel free to use the above address for any correspondence.

God Bless,

Rev. John G. Creel, MD
